

## Discover Stream: Evaluation Instructions by Program Type

The Industry Training Authority (ITA) is requesting event leaders to facilitate their participants' evaluation of the Discover event. The feedback gathered will be used by the ITA to plan and improve future programs.

### Instructions:

- Prepare an evaluation sheet for each student or educator. Please include the appropriate question(s), provided in this document, in the evaluation sheet.
- Ask each student or educator to evaluate the event, using your evaluation sheet.
- Tally responses and report numbers on your completion report.

The last pages are for your photocopying use to use with participants.
